

Dear Church,

Having consulted healthcare professionals on the frontline of our nation's fight against Covid-19 and in the wake of new laws prohibiting gatherings of 10 or more people, **we would now advise ALL CGs to meet online using video-conferencing tools such as Google Hangouts, Skype, Zoom etc.** This would include weekly CG meetings (which work well on Zoom) and Sunday church where we would advise you to watch the service on your own at home (or with your family) and then video-conference your CG mates after the service to discuss the sermon and to pray. All church staff will also work from home from today onwards.

We are aware that many of you will miss the warmth of fellowship that we enjoy as a church family. However, we are living in exceptional times and we need to love our neighbour and nation by doing all we can to combat Covid-19. **Please do prioritise meeting one another online as its crucial we keep meeting as God's people to speak the truth in love to one another and to encourage one another to keep living for our Lord.** For our evangelistic talks in our Death of Death series starting this Sunday: why not invite friends to watch the service online and discuss it with you via video-conference later?

I was reading Psalm 121 with my family earlier this week. It is a tremendous encouragement at times like this. The psalm encourages us to see that our help comes from our Lord, who is nothing less than the maker of heaven and earth. Reassuringly, four times the psalm tells us that our Lord will keep us. Indeed the Lord is called our keeper! What a great comfort that is!

I miss seeing all of you! I very much look forward to shaking your hand, giving you a high-5, hugging you, and ruffling the hair of your children in the not too distant future when all this is over!

Again, if you have any questions or need any help at all, please contact us:
