

## Proclaim 2020

- We are planning for Proclaim 2020! Like Easter, we are planning that most of our evangelistic efforts will take place online through webinars, videos to share etc. The main talks will be 23-30 August.
- Pray the gospel will go out widely, especially to people we might not normally reach. And pray for the salvation of people in our country!
- Pray that we will proclaim boldly and faithfully, in creative ways!
- Pray for those involved in planning Proclaim 2020 (especially Dan Conway) for energy, careful and creative thinking, and prayerfulness.
- If it would help, here's a prayer you could say:  
*Our Father in Heaven, we thank you that you are our Saviour. We praise you for Christ who gave himself to be our ransom. We pray for the peoples of every nation in our country and we thank you that you desire all of them to come to a saving knowledge of Jesus. Please have mercy on them all, that they might understand the truth of the gospel. As we prepare for Proclaim 2020, please make us people who are unashamed of the gospel; give us the boldness to proclaim it for your glory. Amen.*
