

## Preachers

- Thank God that we have a number of competent and faithful preachers in our church family.
- Pray that they would be excited to keep preaching God's powerful word to us even when they cannot see you face to face!
- Pray for faithful, prayerful, preparation of sermons and continued desire and willingness to practice what they preach
- Some Bible verses you could turn into a prayer for our preachers:

*For what we proclaim is not ourselves, but Jesus Christ as Lord, with ourselves as your servants for Jesus' sake (2 Cor 4:5). Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth (2 Tim 2:15).*
