

4) Our families

Married couples

- Thank God for the many marriages in our church family & for those hoping to get married soon.
- Pray that these couples would see marriage as means to serve the gospel, especially in raising godly children who fear the Lord.
- Pray for those whose wedding plans are uncertain because of Covid-19, for patience and trust in God's sovereignty.
- Pray for those whose marriages are struggling (especially where Covid-19 has added pressure)
- A prayer you could pray for married people in the church family:

Our Father in Heaven, we praise you for Jesus, that although he is fully divine, he did not cling to his divine rights but chose to empty himself and make himself nothing by taking the form of a servant when he was born as a man. We marvel Father, at his humility. We pray that we would have this same mind as Jesus, in particular those who are married. We pray that they would do nothing from rivalry or conceit, but in humility count each other more significant than themselves. Amen.
