

# How to get started with

# PRAYERMATE

1. Download the Prayermate app off the Apple App Store/  
Google Play Store.

2a. Enter this link into your mobile phone browser: <https://bit.ly/tccprayermate>

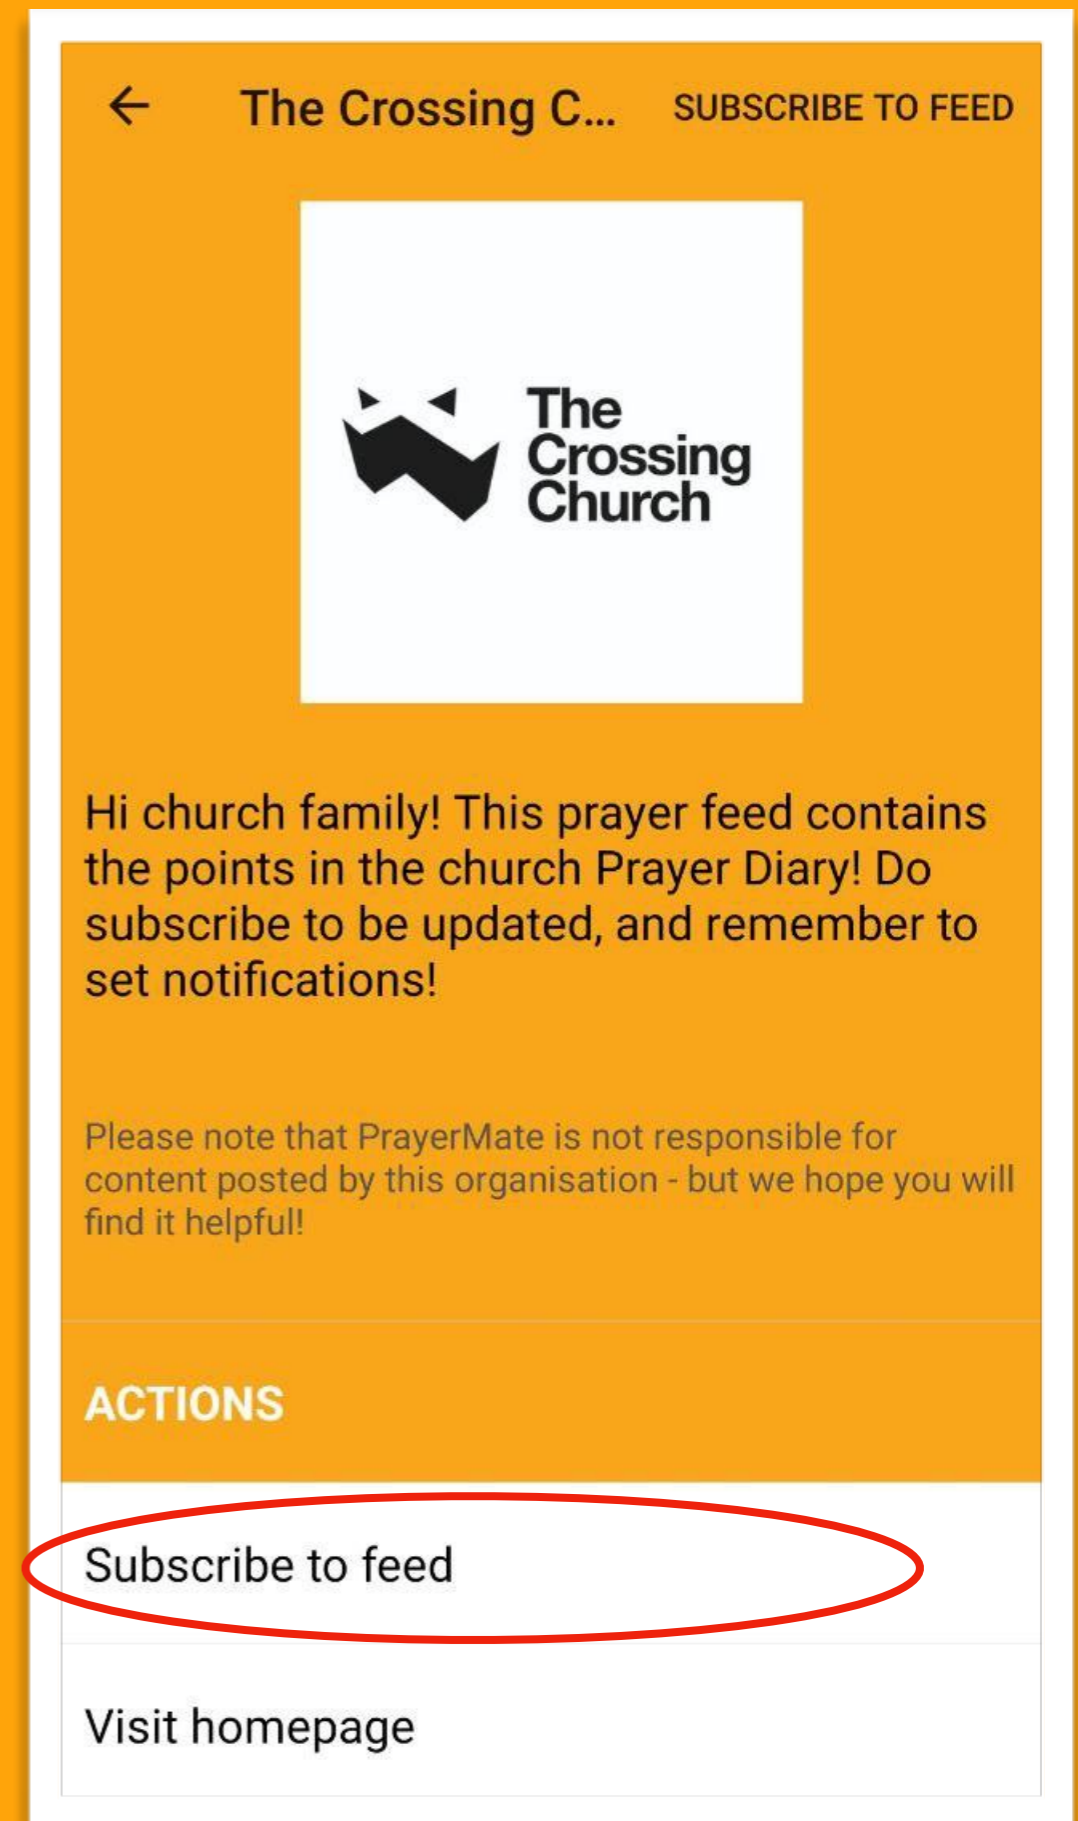

**OR**

2b. Scan the QR code here

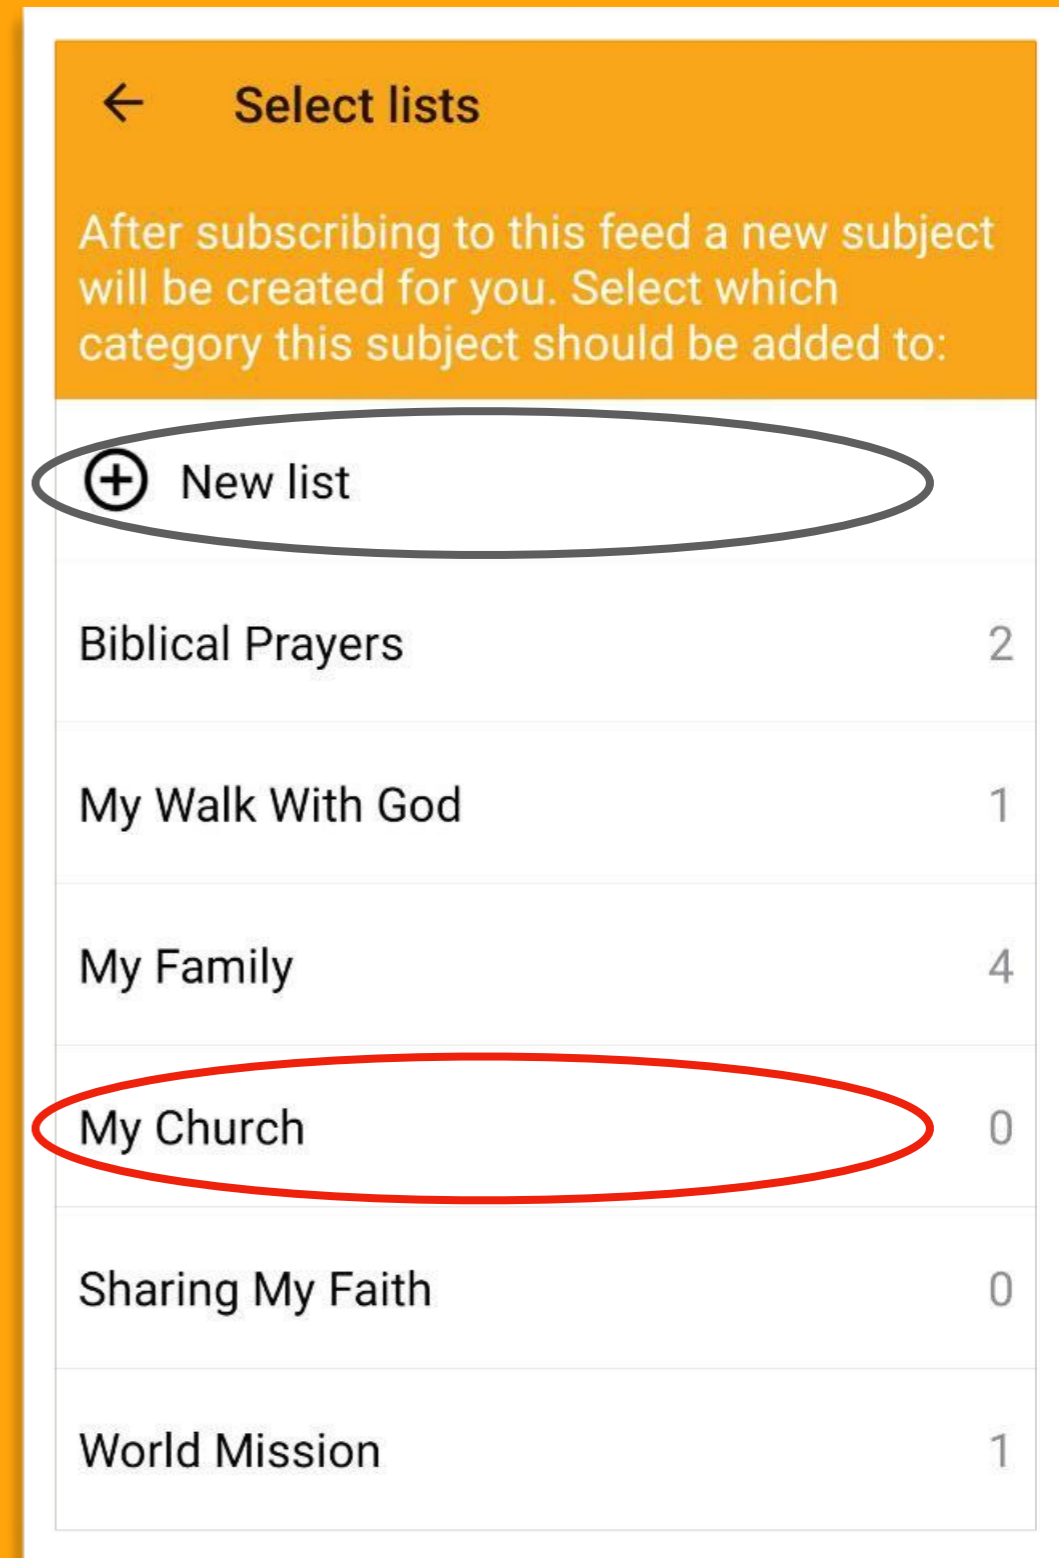

3. On your mobile phone, select 'open in app' (*Depending on the operating system, this may or may not be necessary.*)

4. You should see a page like this appear on the app. Select 'Subscribe to Feed'.

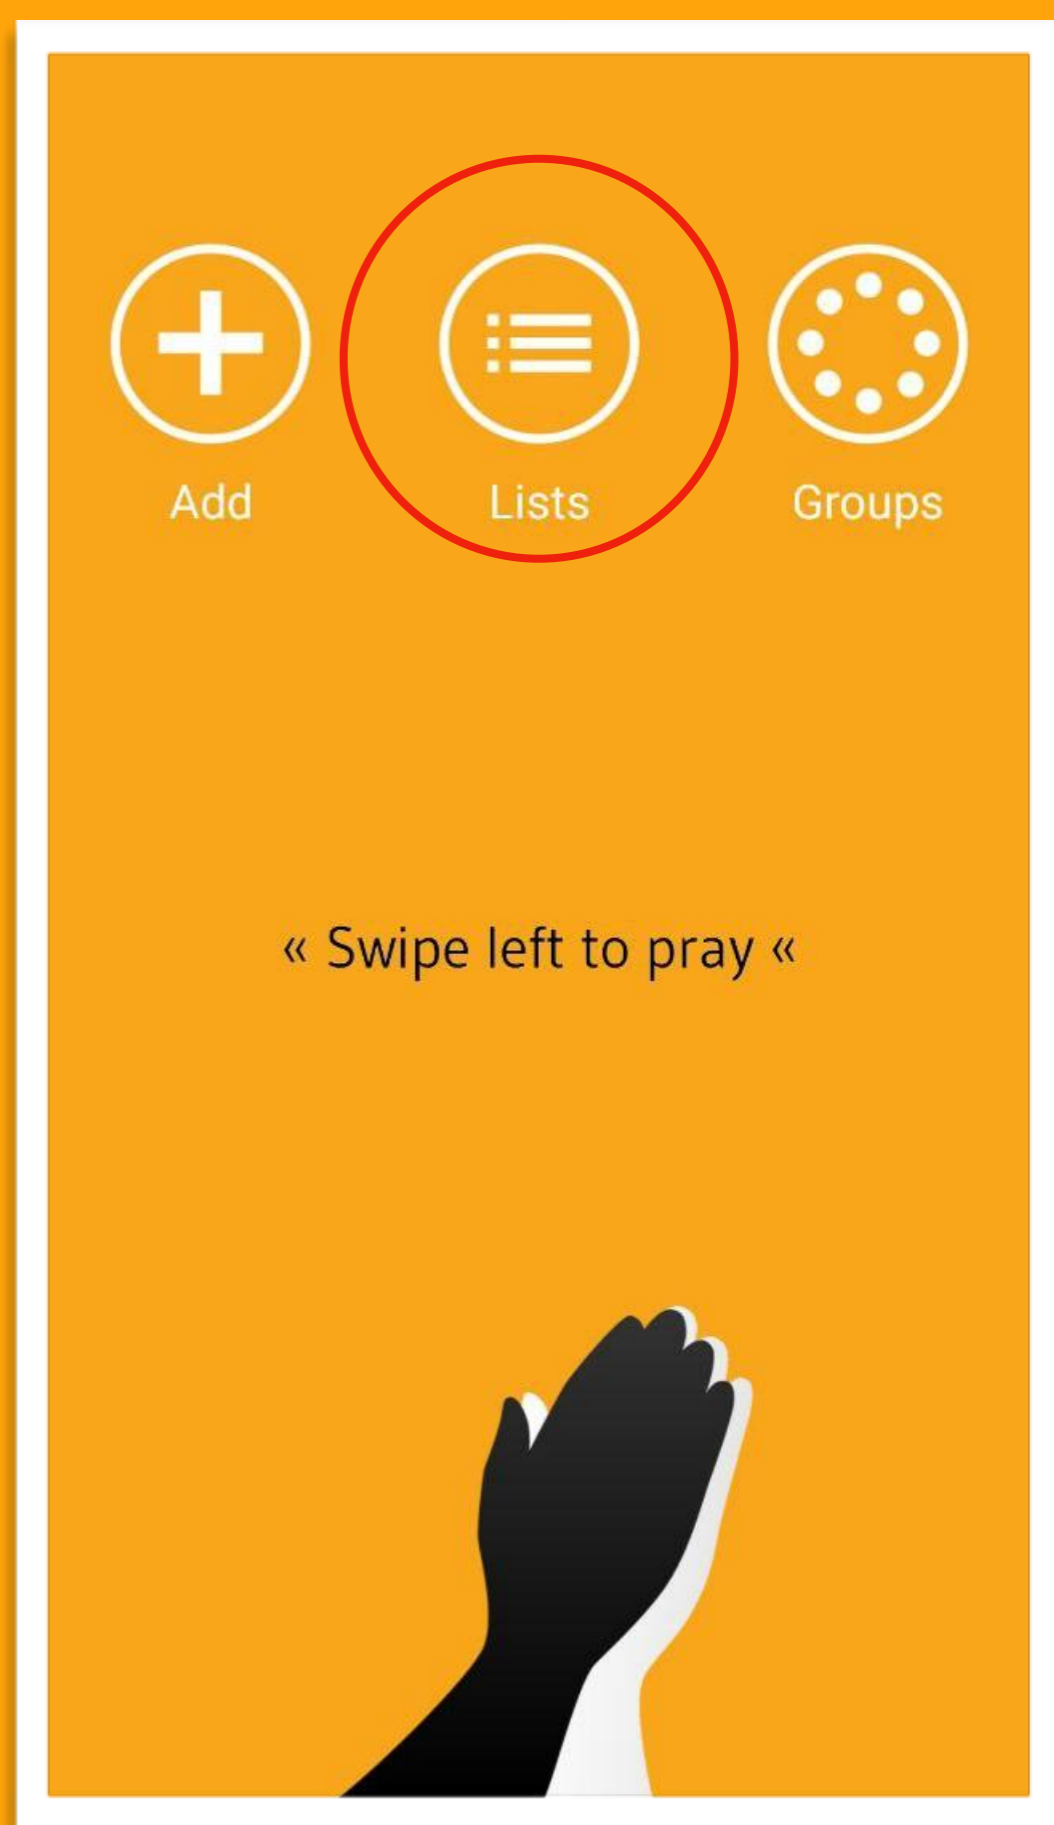

*\*Note: All subsequent screenshots were taken on an Android phone, but the procedure for iOS should be very similar, if not identical.*

5. This page should appear. Select 'My Church', OR create a new list if you wish.

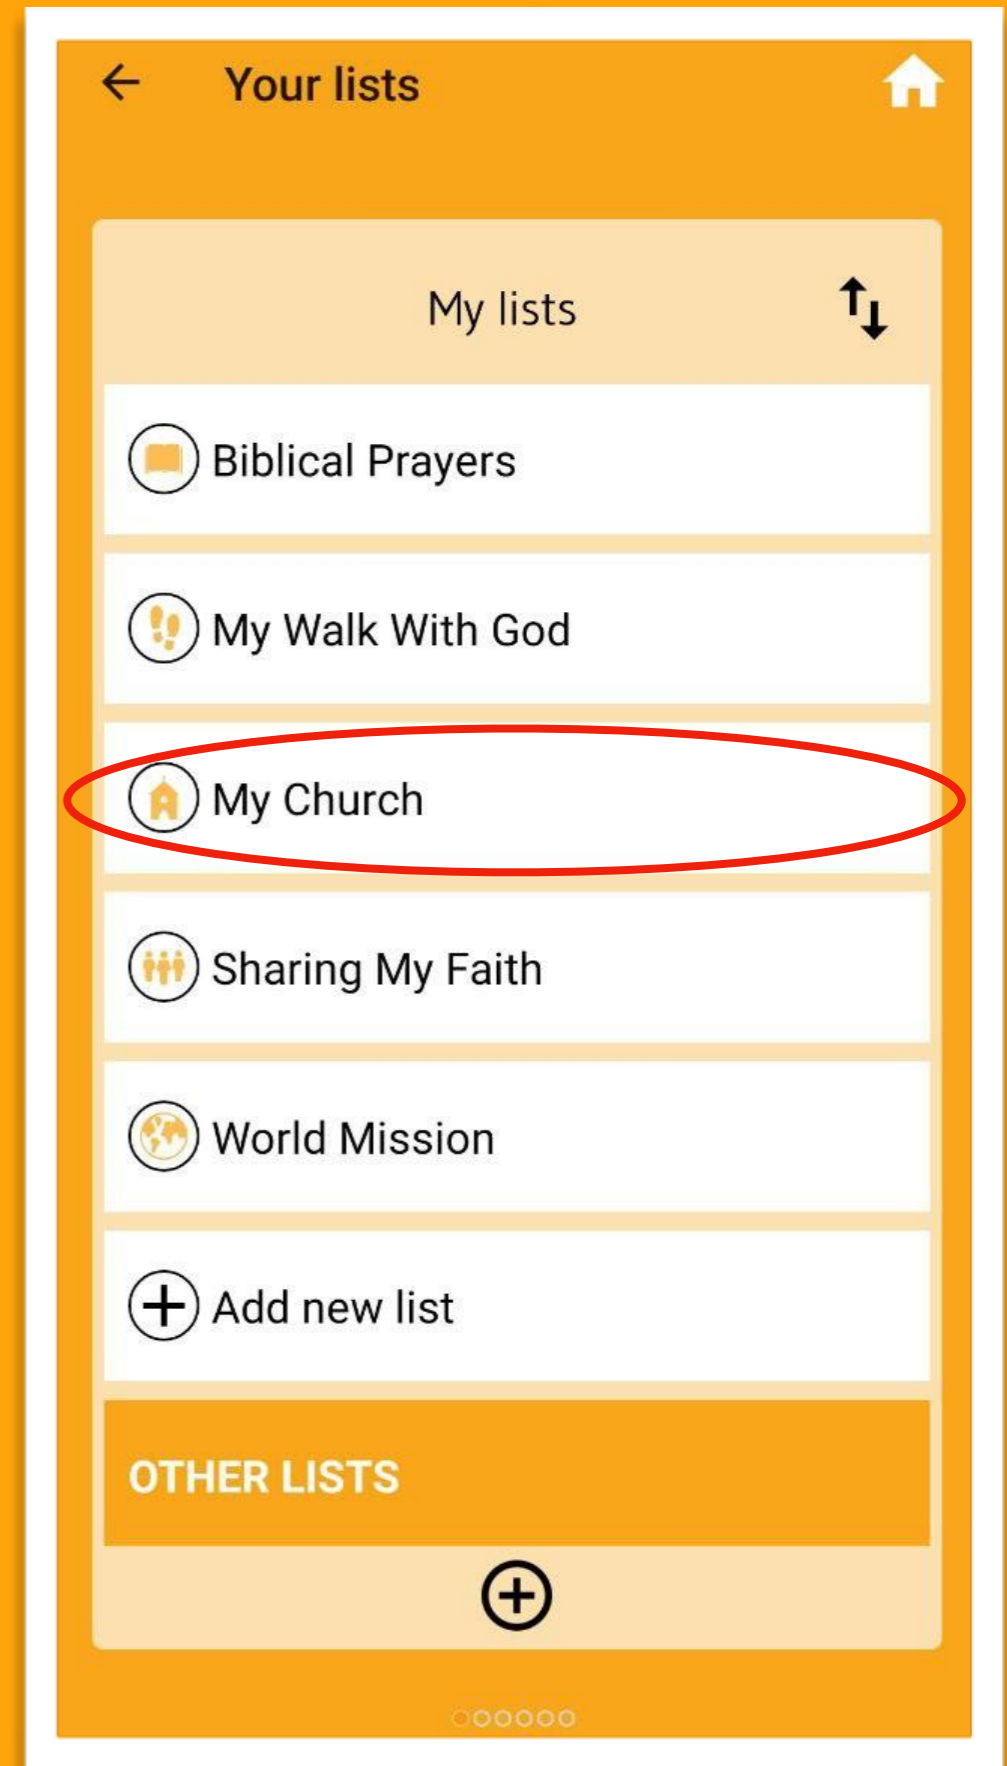

6. Once you've done those, close and then reopen the app. You will see the Home Screen. Select 'Lists' to view your lists.

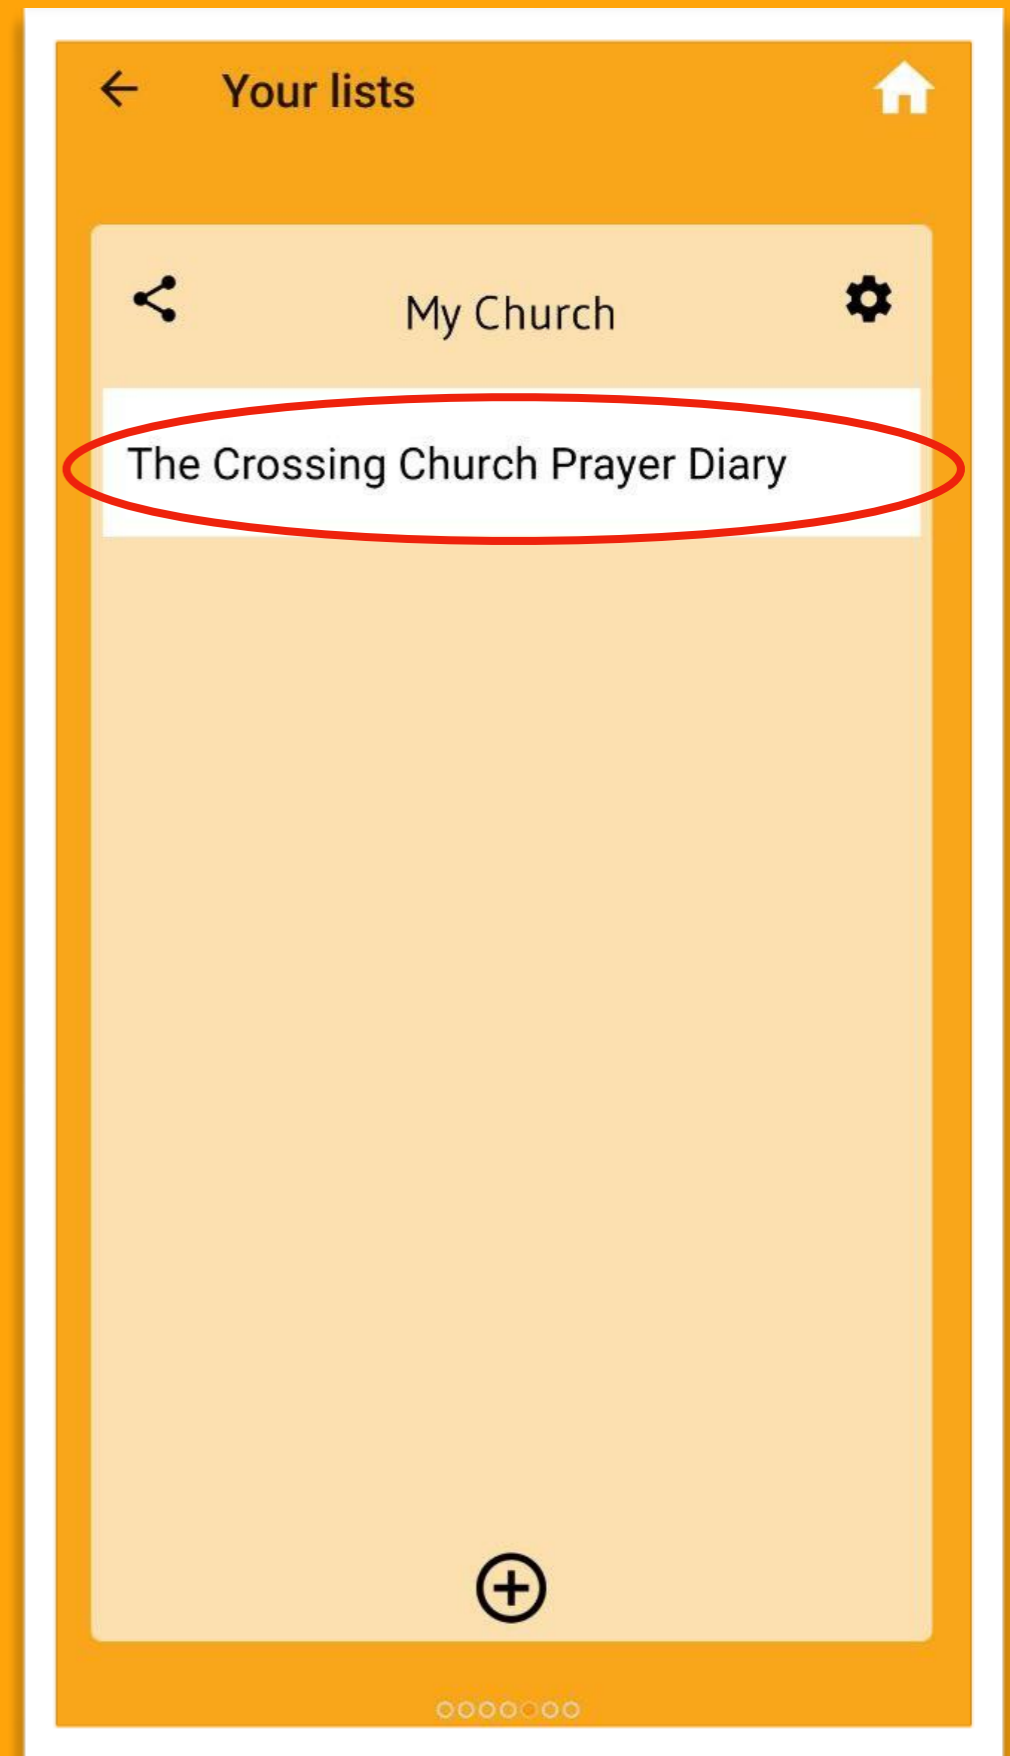

7. Here, you can create additional lists. These function like broad categories which you can add specific requests of your own, and/or prayer feeds from churches/ organisations.

Select 'My Church' or the list you created in step #5.

8. You should see our Prayer Diary feed in that list. That confirms that you've added the Prayer Diary feed to your Prayermate!

# How to use

# PRAYERMATE

1. You'll see the Home Screen when you open the app. Start by swiping left.

Add

Lists

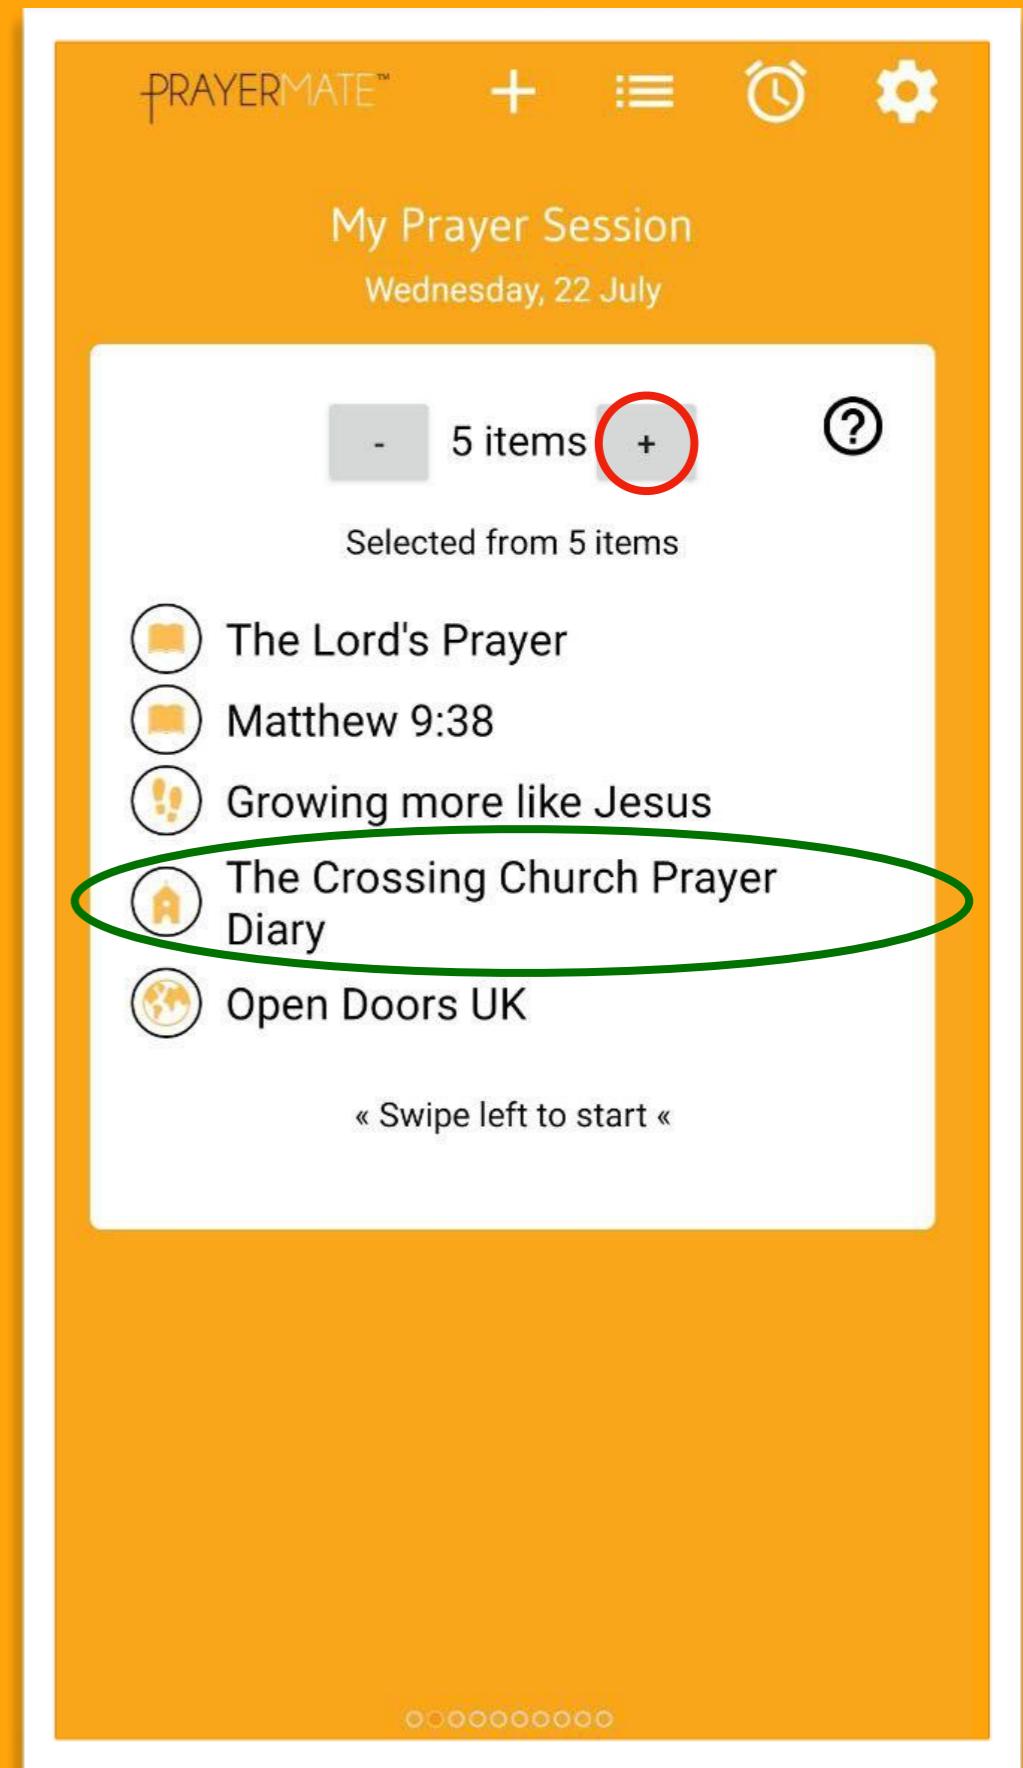

Groups

« Swipe left to pray »

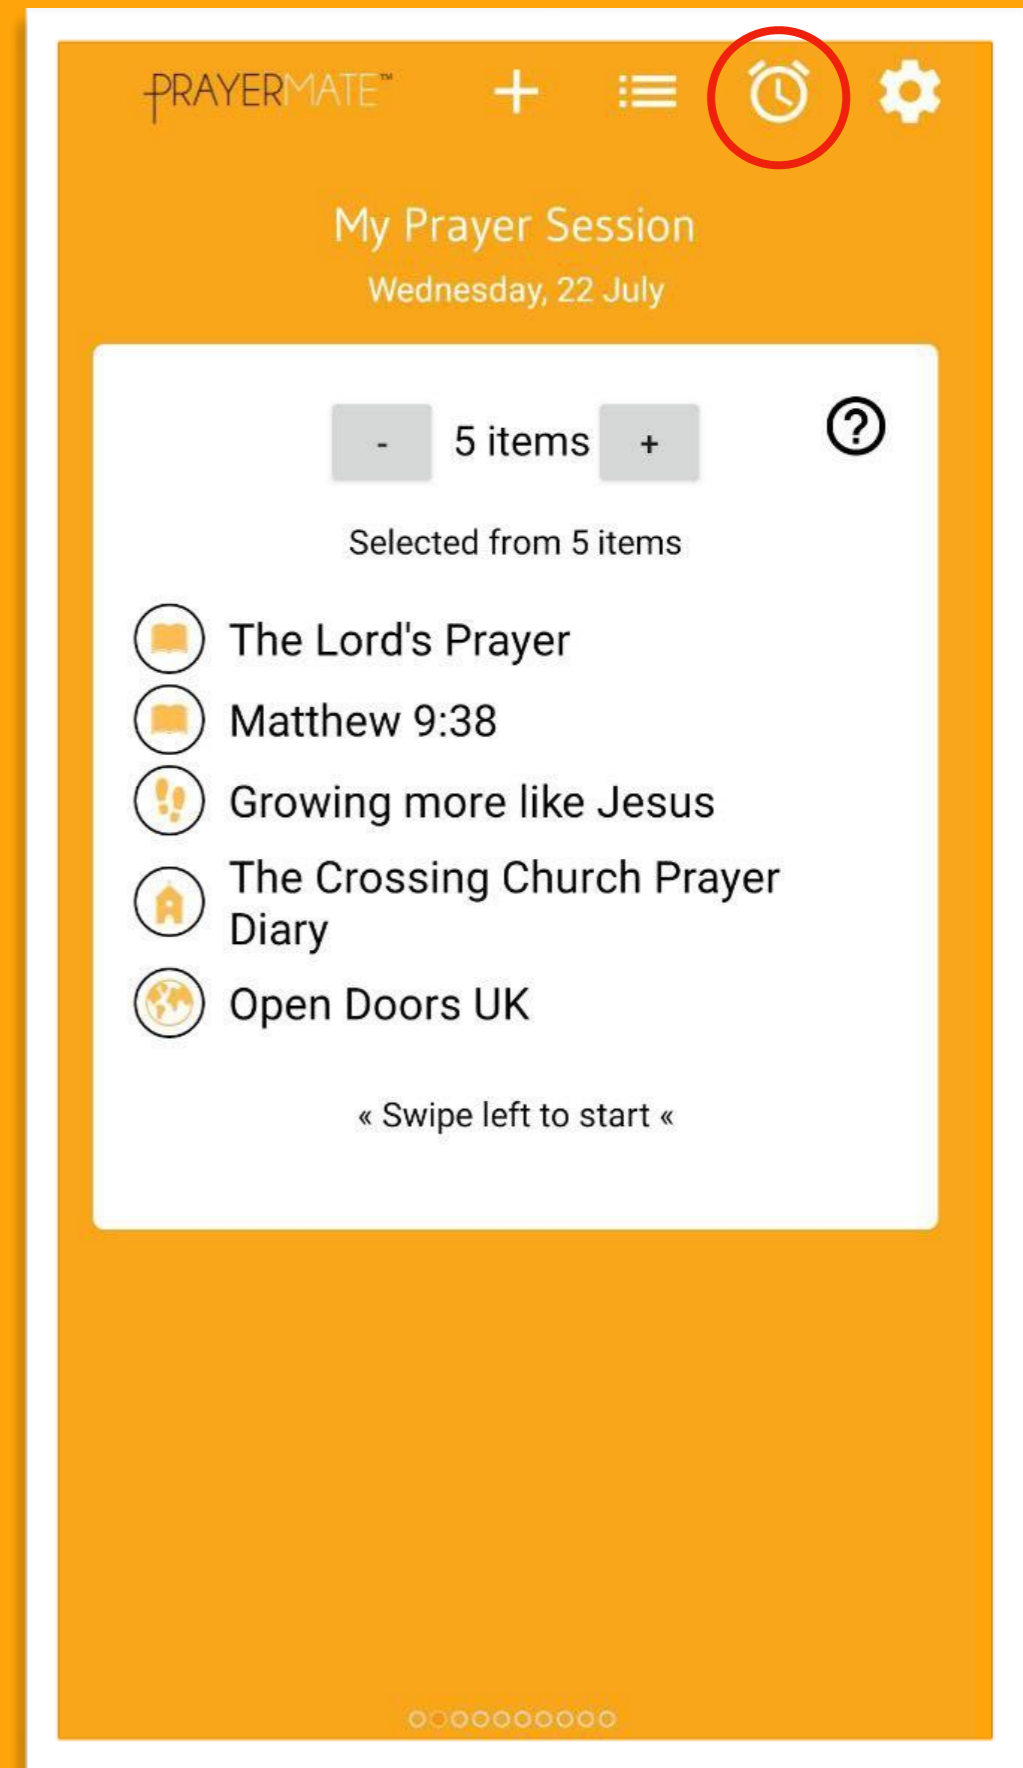

2. You should see this Prayer Session screen. You should see the Prayer Diary feed as part of the items. If not, tap the "+" button until it appears. Note that the items come from your existing lists, which you can edit on your own.

*\*Note: Your Prayer Session may have varying items from the ones in the screenshot especially if you are a new user.*

3. You can tap on the alarm clock symbol to set alarms as well.

Once you've set everything up, swipe left to start praying!

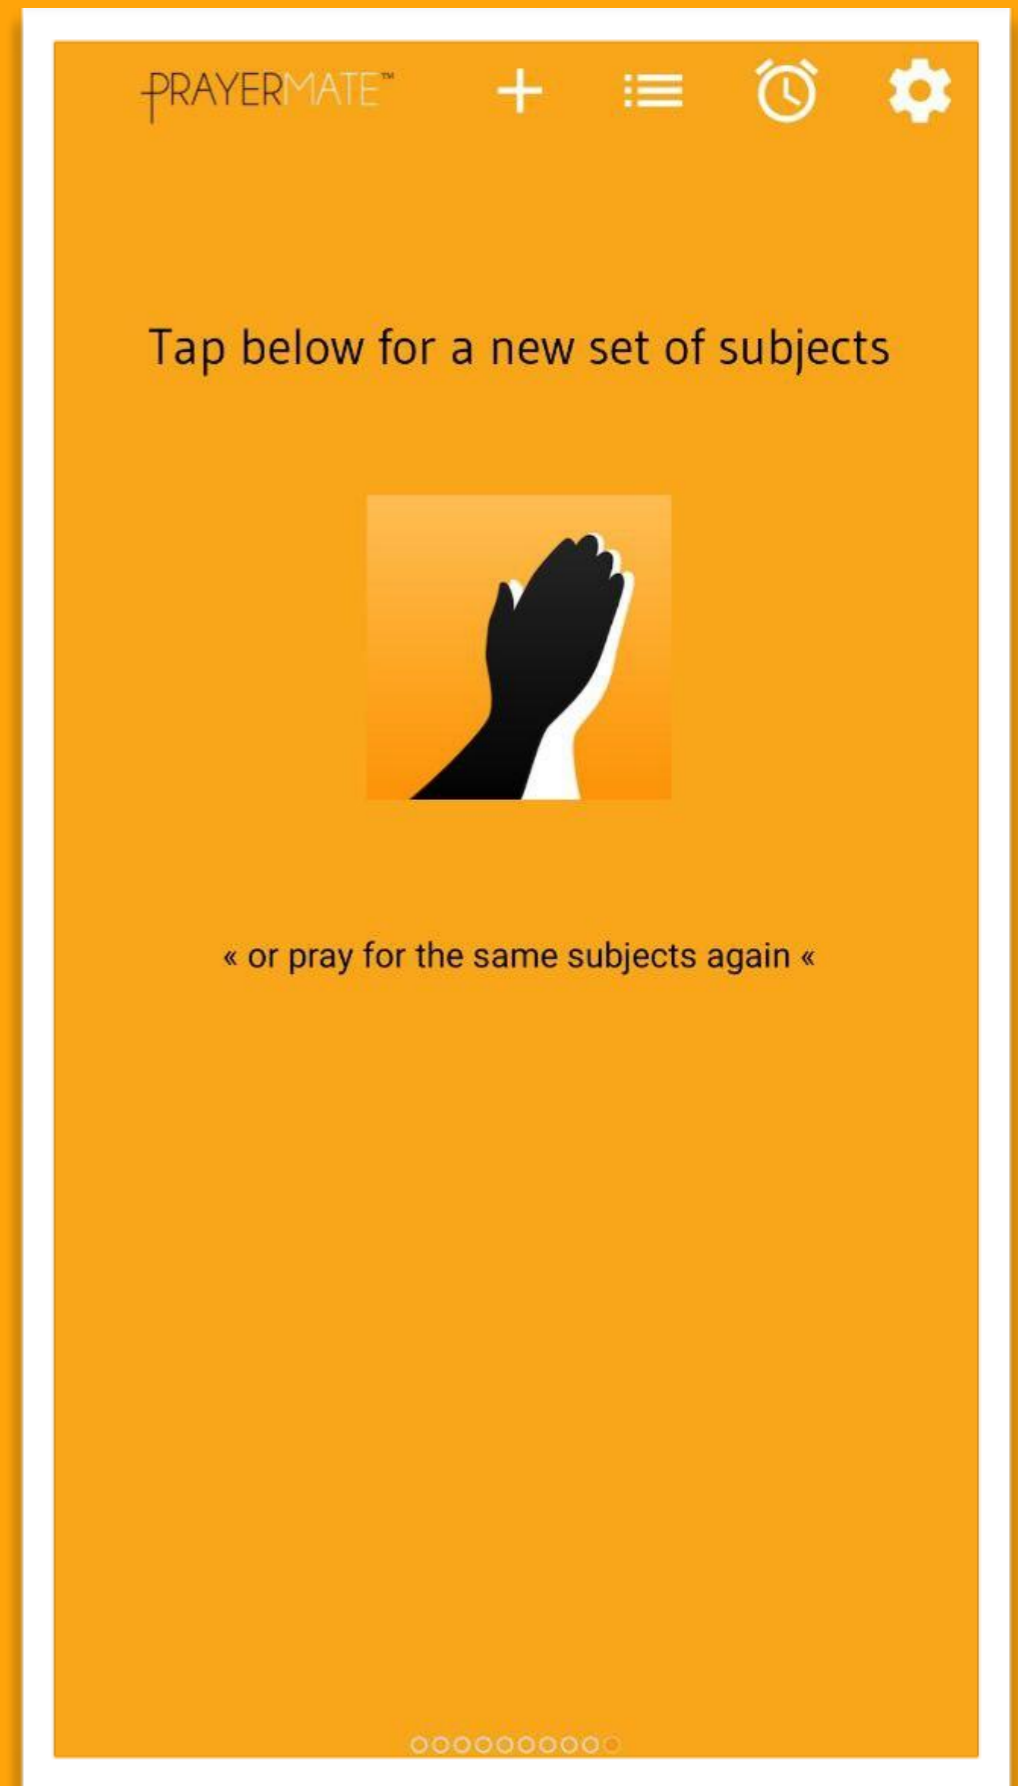

4. The app will bring you through the various items one-by-one. Simply swipe left after you've finished praying for each item. Once you get to the Prayer Diary page, it will look like this.

There are 3-4 prayer points per day. Tap the left or right arrows to scroll through them.

5. Once you have prayed through all the various items on your list, this will be the final screen. You are done with your prayer session for the day!

We hope you found this quick guide useful!  
Do explore the app further and customise it  
to enhance your own prayer life!
